

## DINE OUT FOR £25 OR LESS WITH WORLD- CLASS CHEFS (or eat out for under £10)

EVERYONE wants to make their money go a bit further, but we all need treats to look forward to. So the Daily Mail has put together a collection of some of the best restaurants in the country for our readers to enjoy at a fraction of the normal price.

Whatever your budget and whatever your tastes, we have something for you.

If you have dreamed of dining out at a restaurant run by Marco Pierre White, Gordon Ramsay, Gary Rhodes, Richard Corrigan, Rick Stein or Theo Randall, you can: they all have fantastic offers as part of our special deal. Plus, there are several Michelin-starred and award-winning destinations.

The list includes Galvin at Windows (pictured above); Apsleys at the Lanesborough (below); One-O-One; The Box Tree, West Yorkshire; Belvedere; Harvey Nichols in London; Manchester and Leeds; The George Hotel, Isle of Wight; The Grill at the Dorchester; and Pennyhill Park, Surrey. Find the full list at [www.dailymail.co.uk/promotions](http://www.dailymail.co.uk/promotions), where you can click on your choice of price range – under £10, £20 or £25.

You can book from today and dine out until the end of February. But if you have a special date in mind, make sure you book early to beat the rush because bookings are subject to availability.

To take part in this offer, you must book your table in advance, using the phone number or email address listed next to the restaurant's name.

You MUST state at the time of booking that you are taking part in the Daily Mail offer. If you don't, the restaurants reserve the right not to offer the Daily Mail menu when dining and to charge you the full price.

**HOW TO BOOK:** Simply collect two differently dated Daily Mail tokens from the paper (today's is below) and bring them with you when you dine. You must book your table in advance and present your tokens when you arrive at the restaurant. Tokens will be printed until the end of February.

This offer is not available on February 14 and February 15, 2009. Each restaurant has its own terms and conditions, so please read the information in the booking details section of each restaurant before making your reservation. Usual promotions rules apply.
